However, her family was far from normal or peaceful. From Beginning to End is the story of one girl s struggle to survive and eventually thrive in spite of a dysfunctional family. Book one follows the story of Tracy Diaz, the daughter of an Alcoholic mother and workaholic father who survives unimaginable abuse. This story creates a powerful portrait of a family torn apart by alcoholism leading to physical abuse. The author provides a realistic portrayal of the impact of addiction on a family. But it is also the inspiring story of recovery through the Grace of God.
