It doesn t create the emotion we all crave, it only allows us to become comfortable in its absence. Shamrocks and Secrets left us with Patrick and Christi Malloy finding their happy ever after. Despite the collaboration of evil forces who vowed to destroy them, they bonded together and came out stronger. However, Patrick did pose an interesting question; what happened in the missing twenty-five years? Clearly every romance has its honeymoon phase, complete with bells and whistles to blind us to the imperfections of the opposite sex. But when a lie is told, one with detrimental implications, how will Patrick prove to Christi their love is forever and not to believe what she sees with her own two eyes. Can Patrick find the truth before it s too late? Or will their love come with a shelf-life? Claddagh and Chaos is the second installment in Cayce Poponea s Code of Silence series. If you enjoy a Mafia romance with twists and turns which keep you guessing as to who the true villain is, then Claddagh and Chaos is for you. Pick up your copy and continue your adventure in the Malloy Family saga today!!!.
