

Character Intelligence (CI): How to Develop CI - It's More Important Than IQ (Paperback)

Filesize: 7.74 MB

Reviews

This book will not be straightforward to start on studying but really fun to read. it absolutely was writtern really flawlessly and helpful. You can expect to like just how the writer write this publication.

(Glenna Goldner)

CHARACTER INTELLIGENCE (CI): HOW TO DEVELOP CI - IT'S MORE IMPORTANT THAN IQ (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. CHARACTER INTELLIGENCE (CI): HOW TO DEVELOP CI - IT'S MORE IMPORTANT THAN IQ by Dr. Paul Dawson presents a revolutionary, paradigm-shattering theory of Character Intelligence (CI) which is more important than IQ in determining work success, school achievement, and as a basis for happy-romantic relationships. This ground-breaking book includes a CI Inventory and practical, effective exercises for everybody from 18 to 80+ to develop their Character Intelligence (CI). The components or parts of Character Intelligence are detailed to provide self-help guidance. CHARACTER INTELLIGENCE (CI) provides us with a new viewpoint on what is more important than IQ for success and happiness. IQ explains less than 14% of success in life. A major force in the 86% of variables IQ does not include comprises Character Intelligence. CI, unlike IQ, can be significantly developed to help people achieve success at work, school, and create good relationships. CHARACTER INTELLIGENCE (CI) is highly readable, well researched, and establishes the theory of Character Intelligence as a landmark in self-help psychology. This book combines science and common sense. By developing the ten components or traits of character intelligence you can overcome guilt, let go of perfectionistic thinking, balance your conflicts, and accept yourself as a happy work in progress. CI works if you work it. IF YOU CAN'T IDENTIFY THE PROBLEM, YOU CAN'T SOLVE THE PROBLEM. Dr. Dawson earned a Ph.D. in clinical psychology from The New School for Social Research, Graduate Faculty in New York City; has been a psychologist in clinics, schools, mental hospitals; was chief psychologist of a state prison system; has been in private practice consulting in New York; he has written over 30 books including: ANGELINA JOLIE PSYCHOANALYZED; BIPOLAR...
