The group intends to detonate them in America in the ultimate terror strike, the apocalypse that will trigger a holy war between Western civilization and the Muslim world. After passing Illin s message to his superiors, Grafton is charged by the president with the task of assembling a secret team to find the warheads before America s population centers are consumed by a nuclear holocaust. As he hunts for the terrorists, Grafton soon finds himself up to his neck in power politics, techno-billionaires, money-grubbing traitors, anarchists, and spies. He also discovers that the terrorists don t all come from the Middle East. They come from places close to home. They masquerade as patriots. Some may even have the president s ear. With the survival of Western civilization at stake, Grafton pulls out all the stops....
