Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Exploring the inner landscape of the mind, this is a collection of the author's earlier writings. He never really knows exactly where he will end up once a journey begins nor does he know what life lessons he will be taught along the way. In this book, he meets Venus the Flying Mermaid, travels in a giant horizontal skyscraper floating in the sky, plus a lot more. He tends to lift his consciousness out of his body and using his mind travels all over the universe. He receives many messages from benevolent beings offering guidance and helpful suggestions, of course, these telepathic messages he receives could also be his own natural intuitive voice offering practical solutions and an objective perspective to unique situations.
