John Swan, United States, 2014. Paperback. Condition: New. Natalie Spasic, Mike Dumas (illustrator). Language: English . Brand New Book ***** Print on Demand *****. On an ancient planet within our galaxy, a dark and fearsome terror has awoken from its long slumber. Its task is to work quietly from the unseen, spreading dissent through the vulnerable territories of the free races; weakening them for its master. By a chance meeting, it comes across a young girl in the swampy and mist choked lands of Endmoor. Her name is Mim, and the pairing of her platinum hair and violet eyes has not been seen since the Great War 1,000 years earlier; and has attracted unwanted attention. Knowing it hunts her, Mim flees and starts on a journey that takes her far across the Great Isle of Aldaya; the only landmass that now sits above the waves. Unbeknownst to her, she is the key to unraveling the darkness that is falling over the Great Isle; an emptiness that threatens to swallow not only Aldaya, but the Sphere as well, and all its futures to come.
