

The Secret of the Lost Incas: An Archeo s Adventure: Sam n Me(tm) Adventure Books (Paperback)

By Branton K Holmberg

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Cousins Sam, Yoder and Mike, aka the Archeos are back in Merlyn s Cavern and find things that astound them. Yoder stumbles on how to remote view anything he sets his mind to see. Mike finds the secret to unlocking the writings in the Book of Magic that Sam has been struggling to understand. Sam finds the shroud of invisibility. Then they all find Merlyn taking up residence in their minds. Not only can Merlyn communicate telepathically with them he can again see the world but only through the eyes of the Archeos. It s a blessing for all involved. With new powers of remote viewing, seeing in total darkness and beyond the 3d dimension, along with the ability to see both telescopically and microscopically using Merlyn Vision they set out with their grandfather, the imminent archeologist Dr. James Michaels, to discover the secrets of Machu Picchu. Finding Eyes of Mother Earth the Archeo s make an unimaginable discovery. It s a star gate that holds the secret to what happened to the Incas of Machu Picchu. While investigating the star...
