Malfunctioning Secularized Ministries in Today s Churches The information herein decries today s modern churches ministering to the trendiness of prioritizing physicality over spirituality. Factually stated, substantial fractions of today s church ministries unashamedly cater to whatever appeals the most to the masses. This entails resonating with what is secular and/or material rather than spiritual and/or consecrated. Here the challenge offered for evaluation is what are more significant, temporary earthly possessions or eternally Heavens inheritances. Scriptural assessments document the instructions and directives specifically conveyed for church ministries functioning and operating, as contrasted with the popular accepted practices so prevalently displayed in the more prominently recognized religious institutions. Herein, a scriptural appeal is made for simply following the dictates of GOD S WORD! About the Author George D. Cutler was born in Tampa Florida in 1944. He received a BS Degree in Architectural Engineering from Tennessee State University, Nashville Tennessee in 1967. He has tenured more than 42 years of ministry in Detroit, Michigan including 12 years where he currently serves as senior pastor of the Grace Gospel Church in Ferndale Michigan. Pastor Cutler briefly matriculated at the Biblion Seminary, Silverton, Oregon including a number of years of correspondences with this institution.
