Reviews

Without doubt, this is actually the best job by any publisher. It is written in basic phrases instead of difficult to understand. You will like the way the author publishes this publication.

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.YAKUB is a dark brown brilliant young boy with an exceptionally large head. Because of his exceptionally large head, YAKUB is often laughingly called the big headed scientist by other children. His experiments with magnets lead to his ideas of rulership that will eventually alter the face of humanity and change the course of civilization forever. At the age of six, YAKUB sits by the banks of the river playing with two pieces of steel alongside his playmate, QURANNA. When she asks him what he is doing, he answers, I am learning about the power of attraction. Later that night, he demonstrates his trick to his uncle by bringing the two pieces of steel close to each other until they suddenly jump the rest of the distance and stick together. When asked by his uncle what is the meaning of this, YAKUB replies, I am going to make an entirely new race of people to rule over everyone. YAKUB gathers his followers and they set sail for the Isles of Patmos via the Aegean Sea to Isles of Patmos. During the voyage some became sick. YAKUB gives orders that any among them who are weak or become sick must be thrown overboard. 600 years later, YAKUB S dream of a new race of people is complete, a race whose skin is almost completely white with blue, green, and gray eyes and blonde, red, and brunette colored hair. The new people, following YAKUB S direction, set sail for the Holy Land in the east. They return back to ancient Bekkah with about 6,000 people and create a stir as they are regarded as foreign invaders, the likes of whom had never been seen...
