Alban Institute, Inc, United States, 2001. Paperback. Condition: New. Language: English . Brand New Book. Pastoral-to-program size change is frequently described as the most challenging of growth transitions for congregations. Now Alban senior consultant Alice Mann, author of *The In-Between Church: Navigating Size Transitions in Congregations*, addresses the difficulties of that transition in this resource designed specifically for a congregational learning team. Conceptualized and developed by Mann for an Alban on-line seminar program test event conducted with 12 congregations in transition, her newest book features a five-step process enabling the learning team to engage a wider circle of congregational leaders and members in study, discernment, and planning. Never-before published resources include discussion of a major new concept--passive barriers to growth--plus Mann's System Change Index tool to help congregations measure their progress from pastoral-size to program-size ways of operating. From preparing the congregation's board and members, selecting the person to guide the learning process, and recruiting the learning team, to creating and celebrating a plan for congregational learning and action, Mann provides all the resources a congregation needs to address this significant size transition period.
