Phoenix Yard Books, United Kingdom, 2013. Paperback. Condition: New. Translation. Language: English . Brand New Book. Paris is beautifully rendered in moody beige, blue and orange in this stylish tale of French taxi driver Mr Leon and his multifarious taxi journeys around the city. His eccentric array of passengers - Jeanette the hairdresser going to Scissor Row, a mummy going to Pyramid Street via Cairo Place - characterise the idiosyncratic city, presented here in loving and stylish detail. Look out for the beautiful end papers, which include a hand-drawn map of Paris s streets: children will enjoy spotting the various locations mentioned in the story. An extraordinary illustrator at his finest. This book contains a new map of Paris drawn by Barroux specially for this edition. **REVIEWS** Mr Leon s Paris takes us on a wonderful journey around the more quirky named roads in Paris, while showing many of the gorgeous sights that the city has to offer, which will be fun for young readers to spot. I loved how each passenger is somehow linked to its destination: a mummy wants to go to Pyramid Street and passes the Pyramide du Louvre on its way, Jeannette the hairdresser wants to go to Scissor Row! Mr Leon s Paris is an ode to what makes the city great, from its sights to its people. I particularly liked how it brings to life the French s cultural heritage, bringing elements from its colonial past (North Africa) and overseas territories (Tahiti). The artwork is beautiful, using a palette of colours with a slightly faded effect, and is so full of detail that it will have little readers engrossed. Look out particularly for the map of Paris at the end, which was drawn by Barroux for this edition. This is a wonderfully stylish book...
