Reviews

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.

WINDOWS INTO TODAY'S GROUP THERAPY: THE NATIONAL GROUP PSYCHOTHERAPY INSTITUTE OF THE WASHINGTON SCHOOL OF PSYCHIATRY (HARDBACK)

Taylor Francis Ltd, United Kingdom, 2008. Hardback. Condition: New. Language: English . Brand New Book. The Washington School of Psychiatry in Washington, D.C. has long been on the leading-edge of theoretical changes in psychotherapy, having offered a certification program in group psychotherapy, The Group Psychotherapy Training Program since the mid-1960 s. This program trained a generation of skilled group psychotherapists and formed a model for comprehensive group training. In 1994 the National Group Psychotherapy Institute emerged from this program. With an emphasis on experiential and didactic learning, the Institute continues the tradition of challenging the frontiers of psychodynamic group psychotherapy. This volume is a collection of papers by the Institute members and reflects the mission and recent research and developments of the Institute. Originally delivered by faculty members and visiting presenters at the Washington School of Psychiatry, they represent the various vertices from which modern group psychotherapy can be studied. Organized according to theoretical position, the volume contains work by the top group theorists and clinicians in the field. Windows into Today's Group Therapy would provide both an important historical perspective on group therapy as a response to managed care as well as a timely collection of the leading research in the field today.
