I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book. 2014 Readers Choice Awards Honorable Mention Distinguished Honorable Mention, from Byron Berger, Hearts and Minds Bookstore No matter how old you are or how many degrees you have or don t have when grace takes you to school, you start in kindergarten. This was the experience of Reverend Glandion Carney when he was given the life-altering news that he has Parkinson s disease. He was plunged into denial and despair. This was not supposed to be his journey. How could he face it? With poignant vulnerability, *The Way of Grace* describes one man s journey into a new land of God s amazing grace. Both his honesty and his resilience will inspire and inform your own times of difficulty. In each chapter we are introduced to a spiritual practice that can carry us through difficult days: acceptance, relinquishment, community, simplicity and more. And a guide at the end of each chapter carries us into a brief and refreshing experience with each of the practices. God s unmerited grace saves us, strengthens us and sanctifies us. We too can experience lives full of grace and truth, courageously searching out God s wonders every day.
