Reviews

Without doubt, this is the best operate by any publisher. I was able to comprehended everything out of this written e publication. Its been developed in an remarkably easy way which is only following i finished reading through this ebook by which basically altered me, modify the way i believe.

(Dr. Ofelia Grant Sr.)

SOCIAL CHOICE AND INDIVIDUAL VALUES: THIRD EDITION (PAPERBACK)

Yale University Press, United States, 2012. Paperback. Condition: New. 3. Language: English . Brand New Book. Originally published in 1951, *Social Choice and Individual Values* introduced Arrow's Impossibility Theorem and founded the field of social choice theory in economics and political science. This new edition, including a new foreword by Nobel laureate Eric Maskin, reintroduces Arrow's seminal book to a new generation of students and researchers. Far beyond a classic, this small book unleashed the ongoing explosion of interest in social choice and voting theory. A half-century later, the book remains full of profound insight: its central message, Arrow's Theorem, has changed the way we think. -Donald G. Saari, author of *Decisions and Elections: Explaining the Unexpected*.
