Perhaps there has never been any like this thrilling animated fiction before. This book uniquely combines an interactive blend between the various characters involved, revealing an intriguing plot and an exciting suspense and twists, built to produce a fascinating story, whose thematic influence is centered on the need for nature conservation. Set in a tropical timber forest, it is a story of battles over a given region - the jasmine region, and by extension - the forest, in which the most unlikely alliances were formed. After doing battle against the daring termites, Stafilafigas together with General Buzz of the air force bees, must now lead the soldier ants to confront the mighty humans in a pulsating sequel, culminating into a final, epic showdown. Social Wars is highly entertaining and engaging. The reader comes out of the reading experience knowing that the inner self has been awakened by it but more importantly, knowing that its message is vital and has global consequences. This item ships from La Vergne, TN. Paperback.
