Do you want to know how to find golden keywords with Google Keyword Planner One of the keys to get lots of traffic to your website, is ranking high on Google, preferably on the first page. I hear you say : Impossible. Well, its not. In this book I show you in a step-by-step process how to find THE golden nuggets with Google Keyword Planner. And there are thousands of them !! You just have to look in the right direction and know HOW to search for them Is this easy to apply and does it work Yes ! This book is for the complete novice. And even for advanced users there is some really useful information in this book. As with all my books, all steps are extremely well explained in a detailed step-by-step approach. In this book I explain THREE methods how to get to REAL results. In the book I take you through a real life example that I did online off-the-cuff. And I found keywords that all scored on the FIRST page of Google . Who is this book for This book is for everyone that writes articles or that want to setup a website and asks themselves THE question : What should I target . How do people FIND my work Because, even if your work is EXTREMELY good, if no one can find it, then its useless. This book will show you in the usual no-fluff writing how to find keywords that score ! No previous knowledge necessary. If you know how to click on buttons in Google Keyword Planner and you know how to handle a spreadsheet, youre in !! As an added...
