Bold Truth Publishing, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Over the years law enforcement agencies throughout America have acquired a blemished reputation for the occasional enforcement contact that society has considered to be a crime perpetrated against citizens, whether innocent or not. Even the California Highway Patrol has endured an unfortunate criminal act, when one of its own murdered an innocent woman in San Diego during the Christmas Season of 1986. By writing this book, it is my intention to contribute to the reparation of the tarnished reputations of all American law enforcement agencies. I write this book now after 25 years, since my retirement from the California Highway Patrol. I had always intended to document the testimonials of my many close encounters of a God kind and of the literal hundreds of salvation experiences that I was privileged enjoy. This book contains just a few, and I might add that these are the most memorable. It has been nearly two decades since I last spoke of them. But this in no means diminishes there impact and spiritual import, since anything of the spirit is timeless and therefore eternal, even as God, Himself. It is my sincere prayer for you that your heart will be stirred towards Godliness as you read of my memoirs and that as you do so, your soul will be refreshed with His love and goodness! As to the names of those individuals involved, I intentionally used fictitious names, partial names or initials for privacy purposes. However with permission, I have given notable mention of my good friend and brother in arms, State Traffic Officer, Allen Wilkerson. Respectfully Submitted, Ed Marr, STO (retired).
