From international best-selling author, Jeanne Bannon, comes the story of Jack O Hurley, a man who s protected his broken heart by running away and refusing to open himself to love. After years of hiding behind any excuse not to let his walls down, he can t help but be intrigued when he meets the most unusual woman he s ever set eyes on. Star is certainly not what he s been looking for but she just might be what he needs. As Jack begins to fall in love with the eccentric Star, another woman vies for his attention. Torn between the two very different but equalling alluring ladies, he puts into play his tried and true system for determining whether he will continue to date a woman - introducing each to his dog, Phil. Crazy as it may seem, Jack trusts Phil s instincts more than he does his own. The only problem is that none have yet to pass the Phil Test.
