

Roadsouls (Paperback)

By Betsy James

Aqueduct Press, 2016. Paperback. Condition: New. Language: English . Brand New Book.
Roadsouls explores the power of art and creativity for transforming not only ones own life but also the world one lives in. Timid Duuni has spent her life as abused and guarded property. Blind, arrogant Ram is determined to be again what he once was: hunter, lover, young lord of the earth. Desperate to escape their lives, the two lift up their hands to the passing Roadsouls caravan, and are literally flung together naked. Each of them soon learns that saying yes to the Roadsouls is more than just accepting an invitation to a new life its a commitment that cant be reversed. For Duuni and Ram, nothing is as it was. Lost to their old lives, hating each other, they are swept out of their cruel old certainties into an unknown, unknowable, ever-changing world of journey and carnival, artists and wrestlers and thieves. Behind them, inexorable, pads a lion. Inexorable, too, is Duuni and Rams inevitable encounter with it, an encounter that will change everything.

Simply no words to explain. It really is basic but shocks from the fifty percent of the ebook. I am just happy to explain how this is the finest pdf we have read within my personal life and could be the best ebook for possibly.
