Reviews

It is just one of my personal favorite publications. It is among the most awesome publications I have read. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE IMPORTANCE OF BEING CIVIL: THE STRUGGLE FOR POLITICAL DECENCY

[DOWNLOAD](#)

Princeton University Press. Paperback. Condition: New. 272 pages. Civility is desirable and possible, but can this fragile ideal be guaranteed? The Importance of Being Civil offers the most comprehensive look at the nature and advantages of civility, throughout history and in our world today. Esteemed sociologist John Hall expands our understanding of civility as related to larger social forces--including revolution, imperialism, capitalism, nationalism, and war--and the ways that such elements limit the potential for civility. Combining wide-ranging historical and comparative evidence with social and moral theory, Hall examines how the nature of civility has fluctuated in the last three centuries, how it became lost, and how it was reestablished in the twentieth century following the two world wars. He also considers why civility is currently breaking down and what can be done to mitigate this threat. Paying particular attention to the importance of individualism, of rules allowing people to create their own identities, Hall offers a composite definition of civility. He focuses on the nature of agreeing to differ over many issues, the significance of fashion and consumption, the benefits of inclusive politics on the nature of identity, the greater ability of the United States in integrating immigrants in comparison to Europe, and the conditions likely to assure peace in international affairs. Hall factors in those who are opposed to civility, and the various methods with which states have destroyed civil and cooperative relations in society. The Importance of Being Civil is a decisive and sophisticated addition to the discussion of civil society in its modern cultural and historical contexts. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
