Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The History of Democracy from the Middle East to Western Civilizations is a unique text laying out the broad outline of the History of Democracy. The book is based on the historical works of leading American and foreign historians and is written in a straightforward, readable way summarizing the main themes of history. This permits the reader of the news media to make in depth sense out of the jumble of headlines and articles pouring out of the daily press and television coverage. This book permits the reader to digest broad sections of history in separate coherent bites including an overview of history beginning with Mesopotamia (Ancient Iraq) and Egypt, through Greece, the Roman Empire, Middle Ages, England and Modern Europe to American efforts to impose Democracy on the Modern Middle East. Bite sized chapters of the book include not only a comprehensive overview, but also separate chapters on the Democratic History of America, the Development of Democracy in Russia, Democracy in Muslim Countries and what history has taught us about Democracy.
