Wargame Rules For The Spanish Civil War by T.L. Jones Whether you are a seasoned wargamer or new to the hobby, you will find something to inspire you in these carefully spelt out and wide ranging wargame rules. Move a mule, manhandle a field gun, fire on a fixed line, load up an armoured lorry, blow up a bridge, climb walls, build barricades, make minefields. Use barrages, air raids, anti-aircraft fire, suppressing fire, flame-throwers, machine guns, rifles, hand grenades, petrol bombs. Climate: You might fight by night or by day. In wet weather, hot weather, fog, or snow. Concealment: Your stuff might suddenly pop up where the other side doesn't want it to be. Or vice versa! Communications: Set up a field telephone system and reap the benefits. Command: In the Viva Yo! Wargame Rules there is an easy to administer system for deciding where on the battlefield command influence is weak or strong. Where it's weak, watch out! Your troops will run away! Conclusions: In the Viva Yo! Wargame Rules there is a...
