Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Annual Report, Fiscal Year Ending June 30, 1973 To His Excellency the Governor and the Secretary of Environmental Affairs: To the Honorable Senate and House of Representatives: To the Honorable Mayors, Selectmen, and Municipal Officials: To the Public of the Metropolitan Parks, Sewer, and Water Districts: The Metropolitan District Commissioners submit herewith their Report of the activities of the Commission for fiscal 1973, together with financial data for the same period. It is our hope that this Report not only satisfies the requirements of Section 100 of Chapter 92 of the General Laws, but also proves to be an informative and helpful account of a great state agency. The present Commissioners have taken the position that the MDC should be changed in three ways. First, its sense of identity, self-reliance, and purpose, had to be restored. We feel that we have made substantial progress toward this result by strengthening the agency s capacity to plan, to pro teet its own resources, and to handle its own problems. Second, the agency had to be modernized and streamlined, and be more efficient about the pro vision of services and the information provided to those being served. We have moved in this direction by realigning divisions and creating new ones, and by stepping up our dialogue within government and with the public.
