

## Operative Arthroscopy (Hardback)

By Johnson

Lippincott Williams and Wilkins, United States, 2012. Hardback. Condition: New. 4th edition. Language: English . This book usually ship within 10-15 business days and we will endeavor to dispatch orders quicker than this where possible. Brand New Book. Continuing the tradition of Operative Arthroscopy being the most comprehensive and authoritative reference in orthopaedic sports medicine, the latest, 4th edition was completely revised. Basic science has been reduced to the essentials and chapters on history and ethics have been completely removed. The reader will find chapter after chapter of clear, step-by-step instruction, provided by world-renowned experts on a wide variety of minimally invasive procedures covering the knee, shoulder, elbow, wrist, foot, and ankle. In other words, all the procedures performed by orthopaedic sports medicine specialists. FEATURES\* Over 1,600 illustrations complement the step-by-step procedures in the text\* World-renowned experts describe the latest instrumentation and techniques and detail proven minimally invasive procedures.

### Reviews

*Simply no phrases to explain. It is definitely simplistic but shocks from the fifty percent from the pdf. You may like the way the blogger write this ebook.*  
-- **Antonetta Tremblay**

*This ebook is very gripping and exciting. It is one of the most amazing book we have study. Its been printed in an remarkably easy way and it is only after i finished reading this book through which really transformed me, affect the way i think.*
