

Fast Facts: Inflammatory Bowel Disease (Paperback)

By David S. Rampton, Fergus Shanahan

Health Press Limited, United Kingdom, 2014. Paperback. Condition: New. 4th edition. Language: English . Brand New Book. Ulcerative colitis and Crohn s disease, referred to collectively as inflammatory bowel disease (IBD), are chronic debilitating disorders. IBD, particularly Crohn s disease, is increasing everywhere, most notably in the Western world where about 1 in 200 people now has the condition. This highly readable, `zippy fourth edition of Fast Facts: Inflammatory Bowel Disease provides succinct yet thorough information that will aid early recognition of these disorders and their complications, alongside practical holistic management advice. So what s new in this edition? * Increased insight into the causes of IBD * New chapters on extraintestinal manifestations and management principles * Key information on the limitations and side effects of traditional treatment options * New and emerging drugs that target specific inflammatory pathways * An overview of specific management issues in elderly patients With important emphasis on the doctor-patient relationship and effective multidisciplinary services, Fast Facts: Inflammatory Bowel Disease is an invaluable resource for all primary care providers, hospital doctors in training, nurses, stoma therapists, dieticians, psychologists, counselors and social workers; in fact, all health professionals involved in the care of patients with IBD,...
