VIRUSES (HARDBACK)

Chelsea House Publishers, United States, 2011. Hardback. Condition: New. Language: English. Brand New Book. Viral diseases are so common we know them by name: AIDS, influenza, measles, polio, rabies, smallpox, chickenpox, and yellow fever. These are only a few of the diseases that viruses are known to cause, and if we were to estimate the number of people who have died from viral diseases over the past 200 years, it would exceed the mortalities caused by wars and all..

Reviews

A brand new electronic book with a new standpoint. It is written in basic phrases rather than confusing. It has been designed in an extremely basic way which is merely right after I finished reading through this publication where it basically altered me, change the way I believe.
