SEXUAL FUTURES, QUEER GESTURES, AND OTHER LATINA LONGINGS SEXUAL CULTURES**DOWNLOAD**

NYU Press. Hardcover. Condition: New. 240 pages. Dimensions: 8.9in. x 5.8in. x 0.9in. *Sexual Futures, Queer Gestures and Other Latina Longings* proposes a theory of sexual politics that works in the interstices between radical queer desires and the urgency of transforming public policy, between utopian longings and everyday failures. Considering the ways in which bodily movement is assigned cultural meaning, Juana Mara Rodriguez takes the stereotypes of the hyperbolically gestural queer Latina femme body as a starting point from which to discuss how gestures and forms of embodiment inform sexual pleasures and practices in the social realm. Centered on the sexuality of racialized queer female subjects, the book's varied archive includes burlesque border crossings, daddy play, pornography, sodomy laws, and sovereignty claims. It seeks to bring to the fore alternative sexual practices and machinations that exist outside the sightlines of mainstream cosmopolitan gay male culture. Situating articulations of sexual subjectivity between the interpretive poles of law and performance, Rodriguez argues that forms of agency continually mediate among these various structures of legibility: the rigid confines of the law and the imaginative possibilities of the performative. She reads the strategies of Puerto Rican activists working toward self-determination alongside sexual performances on stage, in commercial pornography, in multi-media installations, on the dance floor, and in the bedroom. Rodriguez examines not only how projections of racialized sex erupt onto various discursive mediums but also how the confluence of racial and gendered anxieties seeps into the gestures and utterances of sexual acts, kinship structures, and activist practices. Ultimately, *Sexual Futures, Queer Gestures, and Other Latina Longings* reveals in lyrical style and explicit detail how sex has been deployed in contemporary queer communities in order to radically reconceptualize sexual politics.
