

Narcissism Decoded: How to Identify and Effectively Deal with the Narcissistic Personality Disorder in Your Relationship

By Michael Wright

Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Narcissistic Personality Disorder is a severe psychological condition that ruins relationships because a narcissist is a self-absorbed individual who only sees things one way, which is their way. In the world of a narcissist there is no room for successful relationship attributes such as mutual consideration or give or take and as a result any relationship that a narcissist is involved in is a lopsided one that solely favors the narcissist. Being involved in a relationship with a narcissist can be a difficult one, mainly because a narcissist has an unrealistic and an inflated view of themselves and suffer from a decreased ability to identify with or recognize the needs or feelings of others, so in turn the partner of a narcissist suffers. Do you feel that you are in a relationship with someone that suffers from the narcissistic personality disorder? Are you a narcissist yourself and would like an understanding of this personality order so that you can salvage your relationship? In his book entitled Narcissism Decoded author Michael Wright explains in great detail how to identify...
