

Buckskin and Buffalo

Filesize: 7.52 MB

Reviews

This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

[Product Description: In the mid-1800s, the Great Plains were home to the Blackfeet, Arapaho, Cheyenne, Sioux, Crow, Hidasta, Comanche, and Kiowa Indians. Those tribes were nomadic hunters of elk, pronghorn, and buffalo, and it was on the buffalo that their life and culture relied most heavily. In the early 1870s, with the arrival of the railroads, the herds were rapidly decimated by professional buffalo hunters. That brought an end to the Plains Indians' traditional way of life, eventually forcing them onto reservations. Not all of their material culture was destroyed, for many of their buckskin and buffalo hide objects survive today in collections of both European and U.S. museums.].
