Revival Waves of Glory Ministries, 2017. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Twenty-eight year old Becca Martin witnessed a tragic accident at the age of twelve. Sixteen years later, she embarks upon a journey that she believes has somehow been chosen for her by God. During this journey, she hears a voice in the back of her mind crying, God help me!, as memories she didn't understand as a child begin to resurface in her nightmares and during the journey itself. Was this tragedy a freak accident, or is there more to the incident that meets the eye? The owner of Sweet Water State Park calls Zac Johnson and Jason Miller of the Tensiltown Police to investigate various incidents out on the bike and foot paths. During their investigation, Jason meets Becca along her journey and they both feel strongly drawn to each other. She longs to help the police of this small village investigate these incidents, but in order to do so, she must face her fear of climbing the rocks at Sweet Water Park, while caring for her ailing aunt and helping her uncle to run the diner. Jason vows to stay close beside her every step of the way, but can she fully trust him and the girl in the white robe that seems to pop up out of nowhere when trouble arises? Who is the real bad guy? How does God reveal what happened on that unforgettable day on the rocks with her family? Does the memory of the incident help the police solve this rock climbing mystery? Find out more as the author pulls you into the first novel in her spine-tingling, heart-warming Stepping Stones mystery series.
