Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Awareness means to have knowledge or discernment of something. Since the mind is a terrible thing to waste, take this moment to integrate your memory and your imagination into your learning experience. Remember that your memory will replay your past; however, your imagination has the ability to rehearse your future. Don t reach your future and recognize that you misused the depth of your potential by not showing up for the rehearsal. Imagine being able to abound in an atmosphere that brings awareness of who you are as well as the benefits of the academic process. I wrote this book for men and women who returning to or just starting their academic career. However, where there is no commitment, great things will not come to pass. Commitment is the key to fulfilling your greatest dreams. The Graduates As we stand with anticipation, and principles of Excellency Embracing our new beginning and empowered by our destinies Walden prepared and affirmed us on how to function in a challenge In areas of Leadership, Business, Communication; it s a fundamental state along with talent. You are ready for promotion; stand steadfast in your specialties; It s your commitment and dedication that makes dreams, a reality. You could have gone to Harvard, Howard, or Stafford to gain the same results, However, Barker argues a paradigms shift is not in an Ivy League school. The shift begins with us. Our performance of what we ve learned. Opportunity will present a time to shine Whether in Nursing, or Criminal Justice, preciseness makes others, measure the depth of your plumb line. Strong emphasis is on the foundation that you built in all your courses Graduates...
