Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Weston s Small Fruit Plants, 1921 Lucky strike (per.) - This variety is a true everbearer and iginated in Mary land about six years ago. We have fruited it for two seasons, a d it has shown so many good points and is so far ahead of many other new varieties that we have tried out, we feel that our berry growing friends who are always on the watch for something better and more profitable than the older kinds will be extra well pleased with this new berry. The plants are.thrifty, vigorous growers, have shown no rust or other disease with us, always makes plenty of plants fora real good fruiting row. Its root system is seldom equaled by any other variety. The mother plant as well as all the new formed plants will bear an extra heavy crop the first year, in fact it is the most productive everbearer we have ever grown. It also bears another heavy crop in the spring along with the spring ripening varieties, commencing to ripen very early and has a long season. Very soon after the spring crop is harvested they will start right in again to produce another crop, throwing up fruit stems, blossoming and producing green and ripe fruit through the summer and early fall months. And here again the Luck Strike shows its wonderful vigor and productiveness over other everbearers as very few Will produce anything like a satisfactory crop during the fall of the second year, even if weather conditions are favorable. The fruit is of high quality, firm and of fine color. Medium to large in size which it holds remarkably well throughout the season. If this variety continues...
