It is one of the most popular ebooks. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Leadstart Publishing Pvt Ltd, India, 2012. Paperback. Book Condition: New. 201 x 124 mm. Language: English . Brand New Book ***** Print on Demand *****.Set in the tiny village of Pilerne, Bardez, Goa, the three Furtado brothers move to Pilerne from Carambolim, their ancestral village. Noted engineers, they have been given the project of building a dam and dykes to control the saline waters of the creek, to save the rice fields from turning into wasteland. Like the famed food and drink of Goa, this family saga is redolent with earthy and piquant flavours it is the story of three generations of a family who uproot themselves to forge a new life in a new land, along with their fears of moving; the tensions of setting up home; and how they finally turn into gauncars (members) of Pilerne. The Furtado family could be any Goan family that has emigrated to a different part of the world in modern times. All Goans are proud of their roots and share a strong Portuguese influence in their cuisine, music, and way of life. And they always love to come back to Goa no matter where they live. This wonderfully human story makes for a compelling read. Here is the real Goa, no longer hidden behind the camouflage and trappings of a world famous tourist destination. There are no beaches, food shacks, luxury resorts and Kashmiri shops just an unvarnished peek at village life. The tradition of diving into wells, enjoying lavish meals, and looking at life and love steeped in typical Goan susegad, is all there for the reader to enjoy.
