Brand New Book ***** Print on Demand *****.The Intergalactic Star Pilot Academy has accepted Thierry Leroux into the elite class of sky year 2231. But the academy comes with a hefty price tag, and there s no way he, a poor Sythe orphan, has the credits the academy requires. Thierry s brother, Corbin, a high-class companion, suggests Thierry sell his virginity for the cost of tuition. It seems like a ridiculous idea, but it may be Thierry s only shot, so Thierry asks Corbin to arrange a meeting on the pleasure planet of Wish. On Wish, Thierry meets Corbin s boss, Monroe, and they agree to auction off Thierry s virginity. Thierry is grateful to the masked buyer he knows only as Dragonfly, and Dragonfly is gentle, making Thierry s first time a good memory. When Dragonfly requests to see him again, and pay for the pleasure, Thierry returns to Wish. But in this game, falling in love is dangerous for the heart, and Thierry might not like the man behind the mask.
