AUTHORHOUSE, United States, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Mile markers along life s highway may appear to be a series of disconnected events. However, the miraculous encounter on Texas FM1960 and the author s nearly 40 year journey suggest otherwise. Buckle up for a journey into a collection of events that provide great insight into the discovery of purpose. The author s apparently disconnected mile markers formed waypoints targeting PURPOSE as his final destination with God being the Guide. Each leg of his trip when considered as a whole, produced an incredible life map. The crooked roadways winding as circuitous pathways led uphill towards the summit of his calling in life. His journey revealed in stories, processes, and related Scriptures illustrate the many ways God speaks to us. Further, the writings encourage readers to prayerfully, thoughtfully, and truthfully examine their own mile markers. A chapter is included to assist this discovery process. Why publish this discovery process? Is it vanity? Is it therapeutic? According to the author, he makes public his personal experiences to encourage, inspire, and share hope/peace/joy . to illustrate that God is real and plays a visible role in our lives. It is God that calls us to purpose, equips us for service, and guides us to completion.
