## FOR THE SAKE OF PEACE: SEVEN PATHS TO GLOBAL HARMONY - A BUDDHIST PERSPECTIVE

Middleway Press, United States, 2002. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. Based on 20 years of university lectures and proposals to the United Nations, this book addresses the issue of peace from the Buddhist perspective of compassion, interconnectedness of all life, and absolute respect for human life. Informed by the teachings of Nichiren, the 13th-century Japanese Buddhist teacher and reformer, this book considers peace from various angles, including economics, the environment, disarmament, religion, and culture. Asserting that nothing is more precious than peace, this guide affirms that through self-mastery, dialogue, and belief in the sovereignty of the people, the world may come to know a peaceful existence.
