

Get Through FRCA Physics

By Raja L. A. Jayaweera

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Get Through FRCA Physics, Raja L. A. Jayaweera, Forming part of the best selling and well respected Get Through series, Get Through FRCA Physics is a book of multiple choice questions (MCQs), in the style of the FRCA examinations, that is based primarily on the principles of physics that apply in anaesthetic practice. It also includes questions on some aspects of basic chemistry, relevant to anaesthetic practice, which are frequently asked at the Primary and Final FRCA examinations and also on commonly used anaesthetic equipment. Get Through FRCA Physics is written for trainee anaesthetists preparing for the FRCA examinations, particularly the Primary examination. This text is recommended to all candidates preparing for the FRCA examinations, their trainers and qualified anaesthetists wishing to update their knowledge. Completely up to date with the latest developments in Royal College exams, this is one text that all candidates for the FRCA exam cannot be without.
