Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from On Conducting: Ueber Das Dirigiren a Treatise on Style in the Execution of Classical Music Wagner have been appended. The footnotes, throughout, are the translator s. The following pages are intended to form a record of my experience in a department of music which has hitherto been left to professional routine and amateur criticism. I shall appeal to professional executants, both instrumentalists and vocalists, rather than to conductors; since the executants only can tell whether, or not, they have been led by a competent conductor. I do not mean to set up a system, but simply to state certain facts, and record a number of practical Observations.
