Bei Mehrfachbestellung werden die Versandkosten anteilig erstattet. - The end of the Cold War has brought sweeping political and social changes, not only in the former Soviet Union and Eastern Europe, but in ether parts of the world as well. It was clear to me that the available bocks in political sociology were too narrow or outdated to capture these profound changes. This timely, highly readable and comprehensive bock on political sociology, I believe, will fill this lacuna. It gives students and teachers of politics and society the opportunity to use the concepts, frameworks, and empirical findings in this important area to understand and analyze the political and social structures and processes not only of the U.S., hut also of all societies and nations. Using an interdisciplinary approach, I have examined a number of old and new conceptual and empirical issues in view of new developments and changes taking place around the world. Both the sociohistorical and empirical aspects of politics and society are explored and discussed.mThe bock is organized in four parts. Part I, "The Field of Political Sociology," consists of an introduction to political sociology and a discussion of same of the major issues and models in this field. The subjects' nature, levels of analysis, and important concepts are introduced. The relationship of political sociology to other disciplines and issues of moral relevance are raised. Part II, "Power and Power Structures," includes five chapters-"The Study of Societal Power and Authority," "Nations and States," "Structure and Behavior ofU.S. Elites," "Media Communication and Power," and "Ci vil-Military Relations"-and emphasizes power and power structures manifested in various institutions and structures of society and polity. Part III, "Electoral Politics and Movements," consists of four chapters-"Political Participation and Vo ting,"...
