Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****.Sans rentrer dans la categorie des Premiers Dialogues, ce texte, d apres plusieurs savants, fait neanmoins partie des uvres de jeunesse du philosophe: ils pensent qu il fut probablement compose a la suite du Laches, du Charmide et du Lysis. D autres experts ont vivement conteste cette date et une analyse par ordinateur l a place le plus proche stylistiquement du Banquet, et ainsi un dialogue de la maturite de Platon. On peut deduire de la presence des deux fils de Pericles, morts en -429, que le dialogue est cense se derouler entre -432 et -430, peu avant la guerre du Peloponnese. Pour Platon et Socrate, le dieu est la mesure de toute chose. Pour le sophiste, l homme est la mesure de toute chose.
