Marriage Works!, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Blessed means happy, fortunate, prosperous, and enviable. It's a term we hear thrown around loosely these days. People say they are blessed in those moments when their good experiences seem to outweigh the bad ones. But when difficulty comes, they use other words to describe their lives. Being blessed is not about circumstances nor getting more of the good stuff. Being blessed is being in God's favor -- in the midst of sunshine and rain. Taking insights from the Epistle of James, Marriage Works! founder Kevin B. Bullard explores what it takes to create a marriage that is blessed by God. The Blessed Marriage covers topics such as: - dealing with temptation - overcoming anger - showing transformational love - communicating effectively - developing patience - and more! Each devotion includes discussion questions so couples or small groups can dig deeper into the practical applications of the lesson. Wondering how to have a blessed marriage? Look no further. This book is the roadmap you've been searching for!.
