Bolinda Audio, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. What do men and boys long for, agonise over, aspire to? Why are men often silent in dark and difficult situations? Why do so many find it hard to express how much they care? What do they look for in women? What do they want from committed relationships, from friendships? How do they feel about kids? What motivates them? What do they worry about? How do they see their bodies? What is life like for them as they age? Why do so many resort to suicide? Every day we read articles about men - men at home, men at work, men in bed - but still the confusion and frustration between the sexes remain. Can we put the differences between men and women down to the influence of Venus and Mars, or are there more intricate dynamics at play?.
