Phoenix St. Claire Publishing, LLC, United States, 2016. Hardback. Condition: New. Henry Cole (illustrator). Language: English . Brand New Book. It happens every fall. The leaves from the tall trees that surround her house drift down until the teeny tiny woman s teeny tiny house is buried completely. Inside it s dark and a teeny tiny bit scary, but the resourceful woman has a plan and a few surprises up her teeny tiny sleeve. Written to be shared through read-aloud or story-telling, the type face indicates where the teller should be whispering and when suddenly s/he should shout -- surprising the listeners, even causing them to jump, which puts this book in the realm of jump-tales, so popular at spooky-story times like Halloween and around the campfire on summer evenings. Short enough for even young children to remember after reading or hearing the story a few times, the book encourages children themselves to tell the tale themselves, making a family tradition. Former Disney Publishing executive, Lauren L. Wohl, tells an all-new story starring a favorite character from folklore with an autumnal chill and a special treat that brings the book to a perfect-for-Halloween ending. Children will want to return to the teeny tiny house again and again to enjoy Henry Cole s illustrations that capture the mood and the humor of the tale. Sure to be a perennial holiday favorite, like *The Little Old Lady Who Was Not Afraid of Anything*, a book that makes the bestseller list every single Halloween!.
