Excerpt: . spinoza as educator chapter I the possibility of education The reader, familiar with Spinoza s writings and recalling the all too scanty story of his life, may wonder, not without warrant, at the title of this essay. Should he contend that Spinoza cared little for education and less for children, he will not find Spinoza s life wanting in episodes nor his books lacking in tenets to support his assertion. Since Pestalozzi, childhood has become the touchstone of education. Spinoza had little interest in children. He has little to say about them, and from the collocations in which they are mentioned, it is evident that he esteemed them but slightly. He admits that they rank higher than slaves;1 yet speaking of the silly behavior ascribed to ghosts he can think of no stronger condemnation than to say that they act like madmen, fools,...
