

Billionaires: Reflections on the Upper Crust (Hardback)

Filesize: 4.9 MB

Reviews

*An exceptional ebook along with the typeface applied was intriguing to read. It is definitely simplistic but unexpected situations within the fifty percent of the publication. You are going to like just how the writer publish this pdf.

BILLIONAIRES: REFLECTIONS ON THE UPPER CRUST (HARDBACK)**DOWNLOAD**

BROOKINGS INSTITUTION, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. An estimated 40 percent of global assets are controlled by 1,645 men and women - the billionaires. Darrell M. West reveals what the other 99.9998 of us need to know. With rich anecdotes and personal narratives, West goes inside the world of the ultra wealthy. Meet billionaires such as Sheldon Adelson, Michael Bloomberg, David and Charles Koch, George Soros, Tom Steyer, and Donald Trump - as well as international billionaires from around the globe. The growing political engagement of this small supra-wealthy group raises important questions about influence, transparency, and government performance, and West lays bare the wealthification of politics, including: how billionaires can block appointments and legislation they don't like why the supra-wealthy moved into policy advocacy and referenda at the state level why billionaires run for office in more than a dozen countries around the world.
