Orion Publishing Co, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Khesh City floats above the surface of the uninhabitable planet of Vellern. Topside, it s extravagant, opulent, luxurious; the Undertow is dark, twisted and dangerous. Khesh City is a place where nothing is forbidden - but it s also a democracy, of sorts, a democracy by assassination, policed by the Angels, the elite, state-sponsored killers who answer only to the Minister, their enigmatic master. Taro lived with Malia, his Angel aunt, one of the privileged few, until a strange man bought his body for the night, then followed him home and murdered Malia in cold blood. Taro wants to find the killer who ruined his future, but he s struggling just to survive in the brutal world of the Undertow. Then an encounter with the Minister sets him on a new course, spying for the City; his target is a reclusive Angel called Nual.Elarn Reen is a famous musician, sent to Khesh City as the unwilling agent of mankind s oldest enemy, the Sidhe. To save her own life, she must find and kill her ex-lover, a renegade Sidhe. Though they come from different worlds, Taro and Elarn s fates are linked, their lives apparently forfeit to other people s schemes. As their paths converge, it becomes clear that the lives of everyone in Khesh City, from the majestic, deadly Angels to the barely-human denizens of the Undertow, are at risk. And Taro and Elarn, a common prostitute and an uncommon singer, are Khesh City s only chance .
