Createspace Independent Publishing Platform, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Learn your options about how to make the lady happy including physical penis enlargement and potency enhancement. Getting real: A real man (a man for example myself) has an 8 inch long penis (with a big head like 1.9 inches big), with a big pair of balls and always an iron erection and nothing else will do. Everything else is a woman. Perfection is hardest to find and rare but real penis enlargement is available to everybody and is called penis weights. After discussing all of today's penis enlargement methods available largely Discover what are the few or the only that can bring home the bacon. If you have a smaller to average penis (4 to 7 inches) and no erection problems you may have discovered that there are women that need it bigger than this. Even if it were not so you want to size up to the longer penis (lets say 8 inches) that some men have to be a real man and not what you are now. If your head and balls are up to the challenge you should aspire to become a man with an 8 inch long penis and be all that you can be, or for that matter a perfect male. If this is your case then you must use a method to enlarge and increase the general mass of your penis (the thickness too) up to 8 inches in a safe fast way that has been proved to work with thousands of men before you and comes with a guarantee of results. If you are made of the right material you will dare to use a method that involves hanging dumbbells from your penis every day for at least an hour...
