Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Socializing is the new social media Face to Face Book is packed with over 600 questions to help you learn more about yourself, the people you know, and all the people you want to know better. There is nothing more satisfying than a really good conversation. Those are the times with our friends and family that we always enjoy the most. But have you noticed how we often talk about the same things? How much do we really know about each other? And how often do we think about our own lives in any detail? Sometimes it s good to ask something new. If people were to criticize you behind your back, what do you think they would say? Some questions in this book are great for self-discovery and personal growth. They will encourage you to think and reflect. They go beyond the surface. They explore the day to day business of life, and they also explore our dreams for the future and our memories of the past. Other questions are simple and fun. But all the questions are answerable and easy to share. They are about real life. Your life, and the people around you. What do you really know about the people you think you know? What pets did your mother have when she was a child? What posters did your friends hang on their bedroom walls? What did your grandfather do for a living? Are your friends happy? - You ll never know, if you don t ask! - Even simple questions are interesting. We want to hear the answers because other people s lives are interesting to us. However, we don...
