Skylight Paths Publishing. Paperback. Condition: New. 240 pages. Dimensions: 8.9in. x 5.9in. x 0.7in. Each of us has the power to make the planet a more hospitable, pleasant, caring, and safe place to live. . . . It starts with respecting others and recognizing their right to be here. Saving Civility is about how we contribute to society and work together locally and globally with greater respect, awareness, understanding, and acceptance of one another. A polite planet embodies a worldview of a civilized society one that is enlightened and empathetic. from the Introduction Cyberbullying, hostile and polarizing political infighting, and tasteless and tactless behavior may be on the rise, but it doesn't have to be this way. Sara Hacala, a certified etiquette and protocol consultant, offers a definitive look at what civility means and how it can change the nature of everyday interaction. She goes beyond a superficial discussion of proper manners to present civility as a mind-set that encompasses values and attitudes that help you embrace your connections to others and repair society. Tapping the wisdom of ancient spiritual luminaries as well as the latest social science research, she provides fifty-two practical ways you can reverse the course of incivility and make the world a more enriching, pleasant place to live. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
