Vintage Publishing, United Kingdom, 2007. Paperback. Condition: New. Language: English . Brand New Book. Lola Galley is used to doing things she doesn t want. She certainly doesn t want to be assigned the case of Richard Ellaway, the man who, under a cold full moon, mutilated a good friend of hers. But being a bareback, what she wants and what she gets are seldom the same. For those born feet-first, life is comfortable, and one night a month they lock themselves in a secure room to fur up in peace. Barebacks, trapped in their human skin and drafted at eighteen into the Department for the Ongoing Regulation of Lycanthropic Activity, don t have it so easy. A full moon means patrolling the silent night in search of transformed citizens breaking the curfew. The rest of the month, DORLA agents mop up the after-effects of the trespasses, the fights and the maulings. Resignedly, she takes the case - but before Ellaway can be tried, her maimed friend is murdered. Lola wants justice. She ll settle for the truth. But in a divided world, asking for the truth may bring answers that you don t want to hear.
